

Montessori Teacher

Montessori Teacher required for 3-5 year olds pre-school group in a well-established Montessori nursery located in rural Berkhamsted, Hertfordshire, in appropriately converted premises. The position provides autonomy to develop the Montessori curriculum within the EYFS framework. Montessori Diploma is required together with a sound knowledge of the EYFS. We are seeking an enthusiastic person who committed to teaching and developing the Montessori approach to early years education. Responsibilities will include liaising with parents, planning/delivering a wide-ranging curriculum in line with the EYFS and Montessori curriculum, plus promoting the Montessori method throughout the setting. Castle Montessori Nursery is a member of the Sunhill Daycare (Europe) Group and enjoys the support of a medium sized nursery chain operating over 5 counties. An excellent remuneration and benefits package based on qualifications and experience is offered for this senior post.
